

Guest Speaker Tells of Healing Harmony at Hand

Demonstrable knowledge of God is available to everyone, Albert Clinton Moon of Chicago told a Torrance audience Sunday.

"The desire to know God, to know what is really good, is inherent in humanity," Mr. Moon declared.

People in all walks of life, he said, are finding that scientific understanding of the true nature of God as Spirit, as the wholly good cause of the universe, brings healing and harmony into their everyday experience.

A member of The Christian Science Board of Lectureship, he spoke in the church edifice, 218th St. and Manuel Ave., under the auspices of First Church of Christ, Scientist.

The subject of his lecture was "Christian Science: The Healing Knowledge of True Cause and Effect." He was introduced by Mrs. Norma L. Spall, Second Reader.

Mr. Moon held that "salvation from every form of error is right at hand through Christ, God's eternal message of good," and that healing and regeneration result from the recognition of this fact.

"From the Bible," he said, "one learns how the understanding of the spiritual idea of God, or the Christ, has been developing and unfolding in human consciousness."
